Continued Professional Development Policy

**Reviewed and Ratified at the St Edward's FGB
On: 14 December 2017**

Next review date: December 2020

Member of SLT responsible: Mr I Henry

This policy covers four areas:

- Principles, Values and Entitlements
- Identifying CPD Needs
- CPD Provision
- Evaluating Impact and Disseminating Good Practice

Principles, Values and Entitlements

1. St Edward's School is a "learning community" where all are involved in a continuous process of improvement and enrichment. The school is committed to fostering a positive climate for continuous learning. CPD is the means by which the school is able to motivate and develop its community. It does so at a variety of levels - individual, team, whole school and through wider networks with an emphasis on collaborative learning.
2. St Edward's School believes in the DfE philosophy that "effective teachers should take ownership and give a high priority to professional development". It believes that a coherent and progressive opportunity to develop professionally and personally both improves standards and raises morale through personal and professional fulfilment and assists recruitment and retention. The CPD will be co-ordinated by a CPD Leader with a clear job description and who will be a member of the school leadership team but who will be assisted by others in taking forward this policy
3. All those involved in the school community shall have an entitlement to equality of access to high-quality induction and continuing support and development.
4. The central features of the CPD policy comprises effective auditing and identification of need and aspiration, ensuring appropriate match of provision to learning needs of the individual, reliable and explicit evaluation of the impact of provision, effective dissemination of good and successful practice to ensure that such practice is embedded and reinforced
5. St Edward's School will use a range of types of provision and providers adopting "Best Value" principles in determining these.
6. The school's CPD provision will allow staff to develop skills and competencies progressively allowing them to build on and reinforce skills and expertise dealt with earlier, particularly across the key areas identified in the appropriate Teaching Standards Framework
7. The school will support professional recognition including accreditation of the CPD undertaken.

Identifying CPD Needs

1. St Edward's School will have a named CPD Leader who shall be deemed to be fulfilling a leadership and management responsibility in relation to this post. The CPD Leader will receive training and support as appropriate in order to fulfil this role effectively and attend useful providers' sessions.
2. The CPD Leader shall be responsible for identifying the school's CPD needs and those of the school community. Such needs will be identified largely through existing mechanisms such as Performance Management/Teacher Appraisal, self-evaluation, school and department development plans, national and local priorities, other internal and external monitoring and feedback evidence and through informal and formal discussions with individuals and teams. The outcomes of the needs analysis will be a CPD plan which forms part of the School Improvement Plan.
3. The CPD Leader will be responsible annually for discussing with the Headteacher and Governing Body the main CPD priorities and the likely budgetary implications of addressing these needs.

4. CPD issues will be addressed at Governing Body meetings and be included as part of the Headteacher's report. The CPD Leader shall attend appropriate Governing Body meetings and, at least annually, present a report on the provision and impact of CPD.
5. Requests for accessing CPD should be addressed to the CPD Leader (and should be discussed with Line Manager/Cluster Leader) who will decide on the most effective means.
6. The CPD Leader shall provide and update details of the range of opportunities available and be responsible for communicating relevant opportunities to appropriate staff. The information will be kept updated and made accessible and available to the school community.
7. The CPD Leader shall be responsible for ensuring that appropriate opportunities are provided for the following groups of the school community:

8. The CPD Leader will be responsible for ensuring that providers are of sufficient quality.
9. The school will have systems and opportunities for teams and the whole school to discuss and feed to the CPD Leader details of priorities and methods including the use of the school training days.
10. The CPD Leader will be responsible for ensuring the efficient organising of opportunities, eg booking, confirmation and for providing appropriate support such as organising relevant resources, setting up appropriate meetings and organising membership of, and subscriptions to, appropriate bodies such as subject associations and school improvement organisations.

CPD Provision

1. The opportunities available will fully reflect the guidelines of the DfE in that they will only be offered if they:

- make effective use of resources, particularly ICT
- be provided in accommodation which is fit for purpose with appropriate equipment
- provide value for money

2. The school will support a wide portfolio of CPD approaches identified according to “Best Value” principles and which reflect the learning effectiveness of the participants. These include:

- in-school training using the expertise available within the school and collaborative activity (e.g. collaborative teaching, planning and assessment, work with a learning team, classroom observation, existing expertise, peer evaluation, collaborative enquiry and problem-solving, modelling)
- coaching and mentoring and engaging in a learning conversation
- job enrichment/enlargement (e.g. a higher level of responsibility, front line working in someone else’s job, job sharing, acting roles, job rotation, shadowing, leading meetings)

3. All those engaged with CPD will be encouraged to:

- reflect on their development using appropriate mechanisms (e.g. Teaching Standards)
- seek professional recognition, including accreditation for the work undertaken. The CPD Leader will provide directly or organise guidance to staff on how such recognition can be achieved

Evaluating Impact and Disseminating Good Practice

1. Ahead of professional or other development, the participant will discuss with the CPD Leader and/or Line Manager the opportunities to disseminate to other staff. Relevant feedback about the provision and the ideas should be provided for the CPD Leader. Where it is agreed that there would be benefit in a wider circulation or follow up, the CPD Leader will be responsible for organising that, eg circulating relevant resources, a session at a staff or subject meeting, introducing a teaching or learning strategy, inclusion on the school websites.
2. The CPD Leader will be responsible for ensuring whether any follow up is needed to the provider, e.g. feedback, issues of access.
3. The CPD Leader will review annually whether any aspects of the CPD provision (eg service level agreements or subscriptions) do not represent value for money and make appropriate recommendations to the headteacher and Governing Body.
4. The CPD Leader shall be responsible for assessing the value for money aspect of CPD through seeking to monitor and evaluate impact. The CPD Leader shall be committed to ensuring that CPD systems and procedures conform to current research findings.
5. This will be undertaken at a variety of levels including:
 - immediate/short term evaluation by participants
 - longer term follow up for a sample of CPD undertaken usually at a period no less than 6 months following the provision
 - informal discussion with colleagues about improved practice
6. Use will be made of appropriate DfE and other documents to aid the impact but it will, in any case, comprise hard objective data as well as other beneficial effects such as
 - pupil and school attainment
 - record keeping
 - more effective and embedded teaching and learning such as creativity, autonomy, a greater variety of teaching and learning approaches
 - a climate of supporting success and effort
 - staff confidence, enrichment, motivation, self-esteem, preparedness to take risks, collaboration, reflectiveness
 - pupil enthusiasm, engagement and commitment
 - recruitment and retention
 - career progression/promotable staff.
7. Annually the CPD Leader shall provide a report to the Governing Body on the benefits of the CPD undertaken and future needs.

The CPD policy will be reviewed annually by the Governing Body. It should be read in conjunction with Process for Training Requests and Training Requests Forms which can be found in the Staff Absence Folder on the Q; Drive.
